# Connecting HowlerJS

---

# Reasons for HowlerJS

---

# Exploring Howler Methods (Play, Pause)

---

# Exploring Various Howler Options

---

# Exploring Howler Events (Onload, Onplay, Onend)

---

# Controlling Multiple Audio Files at Once

---

# Exploring Howler Effects

---

# Chaining Audio Together

---

# Triggering Events on Time Update

---

# Play Portions of the Audio

---

# Summary

## What we learned

- HowlerJS overview
- Methods
- Options
- Events
- Multiple audio files
- Effects
- Chaining audio
- Time update
- Portions of audio
